

## SUMMER TIME PLAY AGAIN THIS YEAR

### Recreational Activities to be Available for Young People This Summer.

At a recent meeting of several civic minded citizens of Arlington Heights, ways and means were discussed for carrying on the excellent program of recreational activities for Arlington Heights youngsters for the coming season.

The value of the program as carried through last year under the able leadership of Ed. Wahl, and Bernice Diederich is questioned by none. The project, last year cost approximately \$300. Many say it was worth \$3,000.

There is a possibility that this year it may be developed as a WPA project, at even less expense to our local people, but the committee, meeting recently, feels that the project should be carried on in either case.

The people of Arlington Heights readily realize that this is a project not only of concern to the parents of our Arlington Heights children, but quite as much to those of us not parents. All the good or bad in the development of our youngsters and young people certainly is a matter of concern to all; more particularly, quite naturally, to those of us who are parents, who think of our children and our children's development ahead of almost if not everything else and are interested in seeing a program of supervised play that will develop them physically and mentally for better citizenship.

Various committees have been appointed to develop a program to finance the project and carry it through to its completion. The committee hopes that such program as is presented will meet with the public's approval and know, from past experience that, as the plan is presented, it will have generous support.

At the last meeting held in the village hall May 27, Mr. C. L. Griffith, vice president acting in the absence of Mr. McWharther, president, held an election for the newly created office of second vice president, which was unanimously elected. He appointed Al Jasper, O. G. Barrett, Mrs. B. Jarvis and Mrs. Noyes on the finance committee and G. B. Green and Mrs. T. O. Cooper on the publicity committee.

More will be coming in the very near future. In the meantime, boys and girls, get yourselves ready for another season of good, clean, constructive activity.

## OLD RESIDENT PASSES AWAY

Mt. Prospect loses another old-time resident in the passing of Mr. Fred Mecklenburg, age 70, who died suddenly Sunday noon.

Mr. Mecklenburg was born October 31, 1865 in Germany. In 1891 he was married to Frederica Wagnacknecht. This marriage was blessed with ten children, two of whom died in infancy.

Eight children are left to mourn besides his widow, Mrs. Fred Mecklenburg, four sons and four daughters; four sons-in-law, two daughters-in-law; twelve grandchildren; one sister-in-law and other relatives and friends.

Funeral services were conducted by the Rev. J. E. A. Mueller Wednesday afternoon at St. Paul's Lutheran church. Funeral arrangements by Lauterburg & Oehler.

### Softball Starts With Five Teams for Ten Weeks Season

Softball had too many friends in Arlington Heights to allow the passing of the summer without a league this year. The first of a ten week series was played Tuesday night when Hartmann's managed by Hayes, defeated Klein's Nuts, by a score of 14 to 12. The other teams in the league are Arlington Cafe (Arduin Fredericks), Rose Lo (Arthur Laersoy) and Sufke (Berndashery (LeRoy Boeger).

Games are played Tuesday, Wednesday and Thursday nights at northside school grounds.

### SCOUT CAMP TO OPEN JUNE 28

Camp Oh-Da-Ko-Ta, the Boy Scout Camp conducted for the Scouts and Scouters of the North-West Suburban Council and the Kenosha Council of the Boy Scouts of America will open its first session on June 28, instead of June 21, as originally announced.

All Scouts making reservations for periods at camp by June 10, will receive a reduction of 50c per week and when ten or more Scouts register from the troop a further reduction of 50c per week is secured making the low cost of \$6.50 per week for the camp fees.

### Park Board Provides For Upkeep of New Park and Bonds

The Arlington Heights park district passed its annual appropriation ordinance Monday night in which provision was made for the increase expense of maintaining the new park and payment of interest and the first bond of the proposed \$23,000 bond issue which was authorized by the voters at the recent special election.

The appropriation ordinance, which is published in this issue, provides for a total expenditure of \$8,100 as compared with \$3,500 of last year. Under the present park system, \$1,000 is provided for labor. The board estimated that if the new park is to be kept in proper condition an additional man will be necessary and the labor cost will be \$2,000. The ordinance approved by the voters provides for the payment of \$1,500 bond each year. In order to have the money available, provision must also be made for the first year for 18 months interest.

**Advertise For Bonds**  
The park board also authorized the advertisement for sale of the bonds. The bids will be opened June 22.

## ST. JOHN CHURCH JUBILEE

### Former Catechum Classes 1888-1918 Hold Reunion Classes of Later Years Next Sunday.

A very inspiring reunion service was held Sunday at St. John's church, West Northfield. It was a special service for former catechumen classes, which were confirmed in St. John church from 1888 till 1918. Nearly 150 men and women from far and near assembled in the school where each one received a silk badge of old gold color bearing the number of the year of confirmation. At 2:30 p. m. the entire group arranged according to classes and headed by Pastors G. W. Maede and W. G. Fechner, marched to the church while the church bell rang, just as each class had done on the day of confirmation. To the strains of a Festival March all these former catechumens entered the church auditorium which had been reserved for them, and only a few pews were left after all were seated. For the other folks who wished to join in this celebration. Close to one hundred others had to be directed to the school, where for the accommodation of the overflow attendance a loud speaker had been installed through the courtesy of Walter Karstens. Besides the many baskets of flowers furnished by the Ladies Aid and individual members, there were palms and ferns furnished by Walter Oehler as a decoration on much the same order as each confirmed member must have remembered the church to have looked like on the Palm Sunday of his or her confirmation.

Pastor G. W. Maede who confirmed the largest number of this group conducted the major part of the impressive service and delivered a heart-searching sermon on Romans 1, 16, 13 answered the roll call. Appropriate hymns by the assembly and the male chorus of St. John church were sung, and the Creed and the Lord's Prayer were spoken in unison, and the first reunion service of this kind ever held in this congregation came to a fitting close.

Most of those who attended the service remained for supper and the evening's entertainment; this was furnished by the choir of Redeemer Lutheran church of Highland Park, Ill., and was thoroughly enjoyed by all who witnessed the play "Kids Again."

On Friday, June 5, the Bach quartet, consisting of Hugh Krieger, Raymond Fechner, Ernie Drews and Alfred Ave-Lallemant, will give a concert of songs in St. John school at 8:15 p. m. A free-will offering will be received.

On June 7 there will be a divine service in English at 10:00 a. m., in which Holy Communion will be celebrated.

In the afternoon at 2:30 an English reunion service will be held for the classes confirmed from 1919 till 1936. Raymond Fechner, student of theology, a member of the 1929 class, will preach the sermon, and George Sander, a member of the class of 1927, and at present a Lutheran teacher in West Allis, Wis., will preside at the organ.

After the service supper will be served, which will be followed by a social gathering and entertainment in the school.

### Woman's Club District Flower Show at Norwood Park June 5-6

The annual flower show of the Seventh District Woman's club will be held at the Norwood Park field house Friday and Saturday, June 5 and 6. All lovers of flowers are urged to attend. There is no admission charge.

## MAY START SUIT AGAINST COUNTY CLERK

### Demands an Accounting of Unlawful Payments from Sweitzer Fund.

Arlington Heights does not intend to sit idly by and allow certain municipalities to walk off with the lion's share of the Sweitzer redemption fund, while other villages receive only a small percentage. Attorney Hugo J. Thal reported to the Arlington Heights village board Monday night that in his belief the present county clerk was liable for disbursements from a fund that he knew or should have known, was not ample enough to pay all of the claims of the various taxing bodies against said fund. Mr. Thal said, "some villages received practically all of their share of said fund, to the detriment of other villages. I am in favor of starting a suit against the present county clerk for the wrongful disbursement of funds." The county clerk is now preparing a statement of the amount due all of the villages from the \$700,000 fund, of which only \$250,000 remains.

Attorney Thal further stated that a report and early remittance on recent redemption fund collections could be expected very soon. It will not be necessary for the village to hire a special auditor to determine the amount due the village.

The state highway department reported the receipt of resolution and plans for the improvement of Douglas avenue, the east boundary of the new park, but advised final resolution by the board. Mayor Flentie explained that there was an apparent demand that the gas tax money should be used to install a modern stop and go system, and it was up to the board to decide which they wanted to do first, improve Douglas avenue or change the lights. No action was taken.

Mr. Godshaw, of the Arlington Theatre, appeared before the board asking for a special rate for water used in the cooling system at that theatre, amounting to 15,000 gallons a day during the summer season. The request was referred to the water committee.

The police department suggested that 100 c. p. lights be replaced with 250 c. p. lights at the intersections of Northwest highway, Vail, Dunton, Evergreen and State road and State road and Euclid. The cost would be \$3,000 a year additional per light. Seventeen arrests were made with fines of \$34.

Water committee reported four shut-offs and more contemplated if owners do not keep promises. The dead end at end of Walnut was discussed and possible remedy.

Finance committee reported bills and payroll amounting to \$991.76, which were allowed.

Alderman Burns brought up the necessity of some action against the tramp dogs in Arlington Heights.

St. James church asked permission to hold a carnival upon its own grounds July 10-12, which was granted.

### Suggest Push Buttons For Pedestrians at Northwest Highway

Here is the latest suggestions for the proposed traffic control lights at the Northwest highway at Arlington Heights, as offered by a Extractor at the board meeting Monday night. Northwest highway will be open to the green light at all times except when autos approach at a cross street when they will pass over a cushion which will automatically at the end of eight seconds change said light.

Pedestrians will have push buttons that will act in the same manner and for the same purpose. Each crossing will be operated independently of the other.

Installation cost would be \$6,000. It will have the approval of the state highway department, said Mr. Perkins, the contractor who failed to tell the board about the gay and happy time the boys will have in pushing buttons to watch the lights change.

### Car Pushes Arlington Autoist Thru Hardware Window

The Chevrolet car of Emil Baugarten pushed him through a window of the Reese Hardware store Wednesday afternoon, he escaping with minor cuts. Emil had left his car in gear as he tried to crank it.

### Cotton Week Bargains At Hagenbring's

Hagenbring's 5c to \$1 store is celebrating National Cotton week with a special coupon sale starting Friday and continuing to Wednesday evening. The cotton items include yard goods, muslins, toweling, polo shirts, etc. Mr. Hagenbring has for this sale one of the greatest aluminum ware bargains he has ever offered. They are the same grade, items and price as offered by a big mail order house and State street as a Golden Jubilee special which he is duplicating at the same price, 59 cents.

### American Legion Post Asks Use of Downtown Streets for Carnival

Merle Guild Post of the American Legion have chosen July 21 to 25 for their annual carnival, but is asking the permission of the village, park board and the railroad company for their approval to hold it down town. Commander Griffith appeared before the village board Monday night and asked for the use of Davis street, between Evergreen and Dunton and the use of Dunton, between Campbell and Davis.

The board granted the permission provided similar consent could be secured from the park board and the North Western. Mr. Griffith agreed to own policing of grounds and the maintenance of an open lane for use in case of fire.

## REAL ESTATE ASSESSMENTS ARE LOWERED

### Sixteen Per Cent Reduction in Elk Grove; Ten in Wheeling and Three in Palatine.

John S. Clark, assessor of Cook county this week issued a comparative statement of assessments in the country towns of Cook county, showing the assessments upon which the 1934 taxes were levied and the figures that have been set for 1935 and the percentage of decrease, and in a few cases of the increase.

Elk Grove township leads all townships in the county in decrease, being 16.38%. Its total assessment of \$2,311,106 for 1934 has been reduced to \$1,932,475 for 1935. Schaumburg is second in the reduction with 9.92%. Northfield and Maine follow with 8.07% and 8.06%, respectively. Wheeling has a reduction of 7.77%, while Palatine has only a reduction of 3.78%. The assessed valuation of Wheeling for 1935 is \$4,222,136. Other figures follow:

COMPARISON OF ASSESSMENTS OF REAL ESTATE IN TOWNSHIPS OF COOK COUNTY OUTSIDE CITY OF CHICAGO				
Township	Final 1934	Final 1935	Percentage of Change	
Barrington	\$ 2,165,886	\$ 2,093,478	-03.34

	4,577,884	4,222,136	-07.77	

### Botterman-Straub Nuptials Saturday In Schaumburg

Miss Viola Botterman, daughter of Mr. and Mrs. Herman Botterman, and Mr. Albert Straub were united in marriage Saturday, May 30, by the Rev. P. F. Pfothauer, in St. Peter's Evangelical church in Schaumburg, at 2:30 afternoon.

Mr. Eggman played the wedding march and also accompanied Mrs. Pfothauer, the soloist. The bride party entered to the strains of the wedding march. Mary Ruth Hagerman, the little flower maid, scattered flower petals over the bride's path. The ring bearer was Howard Spoelried. The matron of honor, Mrs. Henry Busse; the bridesmaids, were Miss Lucille Volberding and Miss Evelyn Behrens. The bride was given in marriage by her brother, Herman Botterman, Jr. As all bridal parties are, was this one, stunningly beautiful as they so gracefully took their places at the altar. The bride was radiant in a dress of silver white satin with long shimmering lace veil. Her bouquet was a beautiful shower.

The maid of honor wore a becoming dress of blue net. The maids were gowns of pink net and all three carried bouquets of talisman roses. The little flower girl wore a yellow dress and fluttered about like a pretty butterfly among the flowers. Following the ceremony, the guests to the number of one hundred, went to the home of the bride's parents, where a wedding feast was bountifully served. The bride's cake, a mountain of delicious sweetness. The menu was such as only prosperous farm homes know how to supply without depending on paper sacks or can openers for the "makings." The newlyweds will go to the bridegroom's parent's home, where the best wishes of friends follow them.

There was music and dancing for the younger set, or any who desired to dance, and all went merry as a wedding bell. May all their clouds have silver linings and on their pathway may their fall just enough of life's shadow to temper the glare of the sun.

### Special Party Saturday At Arlington Club

The Forest Royal Orchestra, that was so popular last year, have again been engaged for Saturday night at Bill Simon's Arlington club, at State and Rand road, Arlington Heights. See adv. on page 8.

### Plan for Early Adjudication of Tax Levies

The annual meeting of the Suburban Area and Country Towns association will be held Friday, June 5, at Oak Park Village hall.

The Executive Committee, at its meeting May 15, voted to present to the members of the association, a plan for the adjudication of appropriation and tax levy ordinances before they are put into collection. This would give every taxpayer the benefit of any valid objection that was raised, and would give the taxing bodies a chance to amend their levies by correcting defects before the tax goes into collection.

The result would be that not only the tax objector who employed counsel for the purpose, but all taxpayers, would benefit whenever a tax levy was held invalid—resulting in more equitable treatment of all taxpayers. At the same time, wherever the defect was a technical one which could be corrected, the taxing body could remedy the defect and collect from every taxpayer the full tax authorized.

### WPA Provides \$800 Fence For Palatine High School

A wire fence with posts set in cement is enclosing the athletic field at the Palatine high school. The fence is not only attractive, but will be a great help at athletic contests. The previous landscaping of the curbs to the field with shrubbery gives the entire plot an appearance that will cause favorable comment for Palatine from the passing motorists. The WPA had given approval to the furnishing of the fence material, representing \$800 in money, several months ago, but it was feared that the approval had become lost in the files until a truck made the delivery this week.

The young people are using the recently completed tennis courts. The Palatine high school has made good use of the WPA and has saved the taxpayers many thousands of dollars the past two years by their acceptance of the available projects. Among the latest, is the painting of the exterior parts of the building.

### Beware of Gypsies Asks Chief Skoog

The appearance of gypsies should be immediately reported to the local police, states Chief Skoog this week. A local woman gave a gypsy a bite to eat one day last week. An hour later she missed her pocket-book. "Better be safe and call No. 6 whenever you see a gypsy around your home," says Mr. Skoog.

### New Pontiac Victim To Whippet Sedan; McNally's Escape Serious Injuries

Mrs. McNally with her husband was driving their new Pontiac north on Dunton street, at 6 o'clock Tuesday evening. At the corner of St. James their car was hit and overturned by a Whippet sedan driven by Edna Croft, of Northbrook.

The tall shrubbery on the adjoining parkway is given as a possible excuse for the accident. The street department will order either the trimming or removal of such shrubbery.

### Strangers Take \$65 In Early Morning Visit At Arlington Heights

Mrs. Nick Schage, N. Evergreen avenue, was surprised at 6:45 last Wednesday morning by two strangers who demanded \$65 she had in her possession and which remained from some insurance funds paid to her at the time of the death of a son in her house several months ago. The men took nothing else except the \$65, although the box containing the insurance money also contained other valuables and other money.

### Funeral of Henry Auls, Old Arlington Resident Will Be Held Saturday

Henry Auls, 75 years old, died Tuesday afternoon at his home at 220 S. Mitchell, Arlington Heights. Remains are at Lauterburg & Oehler funeral home from which place the service will be held at the Lutheran church Saturday afternoon at 2:00 o'clock. Interment will be in Euclid-Lawn cemetery.

Deceased has been a resident of Arlington Heights many years. He is survived by his wife, Wilmina.

## SUPERVISORS WIN FIRST RELIEF BATTLE

### House Passes Bill To Use Half of Sales Tax For Relief.

Through the efforts of representatives of the Cook county supervisors organization, the house at Springfield on Tuesday passed a bill by a vote of 83 to 35, to use one half of the sales tax for relief purposes. The bill was supported by the republican representatives and the Democratic members from Cook county. The governor was opposed to the measure, taking the stand that the various communities should shoulder a greater responsibility in caring for their relief, and that the state of Illinois needs two cents out of every three cents paid in sales taxes. The senate will act upon the bill some day this week. This bill is the first goal of the supervisors of Cook county, who are faced with the responsibility of handling local relief after July 1.

If the measure is finally approved the amount diverted monthly to relief from the sales tax will be raised from the current 2 million dollars to 3 millions.

**Depend on Property Tax**  
This money would be distributed in proportionate shares to the city of Chicago and townships generally throughout the state which, beginning next month, will have charge of relief financing and administration, providing these local governmental units levy a property tax for relief of 30 cents on each \$100 of valuations.

The placing of such a tax is obligatory, under present state law, if the townships of Cook county are to participate in the distribution of the sales tax relief money. There is a bill before the legislature supported by the governor which would place the distribution of relief in county units, in place of township. If the latter bill becomes a law, there are some township boards who will refuse to levy a township tax for relief purposes placing that responsibility upon the county boards.

**Prefer WPA To Outside  
Employment**  
The road improvements on Palatine and Rand roads are partly set up as employment relief and the contractors are supposed to use local relief labor as far as possible. However, a great many of the local men who are now on WPA at \$55 a month prefer to remain in that classification in preference to employment on road work at 95c an hour with 132 hours a month. The contractors are forced to import men from Chicago. The union issues permits upon a weekly fee.

### Demand for Homes During Race Season

The number of Arlington Heights homes that will be rented for the race season this year will depend to some extent upon the number of places that will be listed with the local realty firms.

Krause & Kehe, 1 East Campbell street, who specialize in renting homes during race seasons, say that it is important that owners of homes list their places at once as there have been many inquiries.

J. D. Flentie, whose office is in the People's Bank building, finds that many owners have apparently delayed their listings which has meant that many prospective renters have had to be turned away. General conditions appear to be better and Arlington Heights will probably have one of the biggest crowds this race season, in recent years.

### Police Department Hunting For Ten Cars

The Arlington Heights police department, desiring to make the sale of vehicle tags 100 per cent is looking for ten cars whose owners have failed to purchase 1936 tags. Of course, if the cars are never used, the police department is out of luck, but a close watch is being kept and a record of the state license numbers of the cars in question has been given to all police officers.

### Mary A. Keefe Dies at Home of Son in Scarsdale

Mrs. Mary A. Keefe, who, until recently, resided in Oak Park, died suddenly Monday morning at the home of her son, James R. Keefe, 610 S. Belmont, Arlington Heights. The funeral was held Wednesday morning at St. Lucy's church, Chicago with interment in Mt. Carmel cemetery. Funeral arrangements by Lauterburg & Oehler.

### Two Autoists Fail To Heed Yellow Light;

Arlington Heights was not without a Memorial Day accident. A small one occurred at the intersection of the highway and State road when a Cadillac driven by Herbert Emory, 3908 N. Keeler avenue was hit by a car driven south on State road by Mr. Gustafson of 1803 N. Kostner. Nobody was injured.

### Baccalaureate Sunday Night Commencement, Next Thursday

The Processional of the Senior class will start promptly at 8:15 p. m., Sunday night, June 7, for the Baccalaureate service which opens the 27th annual commencement week at the Arlington Heights township high school. The largest class ever to participate in the exercises will be graduated this year, and all parents and friends of the graduates are invited to attend the services, which will be held in the high school auditorium this Sunday night. The Rev. W. L. Whipple, pastor of the Methodist church, will preach the Baccalaureate sermon, and he will be assisted by Rev. H. A. Kossack, pastor of the Presbyterian church. Seats are not reserved for Baccalaureate services and as many as possible will be accommodated up to the limited seating capacity of the auditorium.

The following Thursday night, June 11, the annual Commencement exercises of the Class of 1936 will be held in the high school auditorium at 8:15 o'clock. Because of the unusually large graduating class, only 5 reserved seats can be allotted to each graduate, and admission will have to be restricted to those holding reserved seat tickets. Mr. Ralph Dennis, dean of the school of speech, at Northwestern University, will deliver the Commencement address, and Mr. Theodore Miltzer, president of the Board of Education, will present the diplomas to our 90 graduates. The Junior class, of about the same number, will act as an escort for the graduating class at both exercises.

## REV. KALWITZ NEW PASTOR AT ST. JOHNS

### Assumed Active Charge Sunday, Is Well Trained in Church and Community Work.

Rev. John Rudolph Kalwitz, for six years pastor of Evangelical Community church of Medford, Wisconsin, and Peace Evangelical church of Dorchester, Wisconsin, took up his new duties in St. John's Evangelical church (N. Evergreen & St. James) on Sunday, May 31.

In his former parish, Rev. Kalwitz has experienced a substantial increase in membership as well as some extensive improvements upon the church properties. He has been a leader in interdenominational activities in Medford and served as vice president of the Wausau Regional Conference.

Rev. Kalwitz attended Elmhurst College, Elmhurst, Ill., Eden Theological Seminary, St. Louis, Mo., and did graduate work at Tulane University, New Orleans, La., and Wisconsin University, Madison, Wisconsin.

Mrs. J. R. Kalwitz, who is also very active in church affairs, was graduated from Ripon College, Ripon, Wisconsin, in 1934, majoring in the History and German departments.

At the morning worship services at 10:30 o'clock, Rev. Kalwitz brought a message on the theme, "And The Greatest Of These Is Love," to an audience that filled the church auditorium to its capacity. In his message, he stressed the fact that all human achievement is nil in the Kingdom of God unless motivated by the spirit of charity, and that the bringing of charity can be motivated by practicing acts on Christian principles.

### Band Concert Thursday Night

The Arlington high school band, directed by D. G. Costain, will give the second of a series of three band concerts Thursday night in Railroad park at 7:30.

Last week's concert drew a large appreciative crowd, many of whom took advantage of the ample parking space and drove to the park in their cars. The boys were guests of Manager Bruce Godshaw of the Arlington Theatre after the program.

The concert this Thursday will be sponsored by Gus Heidorn, the man who is famous for his Home-made ice cream.

Next week's concert will be held on Wednesday night because of the graduation exercises at the high school, and is to be sponsored by Carl Ewert, manager of the Arlington Bootery.

The band wishes to thank the above mentioned merchants for their interest and appreciation in treating the boys after each concert—also J. D. Flentie and Carl Behrens for furnishing the electricity and Harry Levine for erecting the wires.

Come to Railroad Park Thursday of this week and Wednesday of next week at 7:30 if you enjoy good band music.

## STUDIES EUROPE FOR MARKETS FOR FARMERS

### Davis to Tell of Future Outlook at Annual Session.

Chester C. Davis, administrator, Agricultural Adjustment Administration, Washington, D. C., discussing European outlets for agricultural products will feature that part of the 12th annual session of the American Institute of Cooperation devoted to problems of international trade, reports H. C. M. Case, head of the department of agricultural economics, College of Agriculture, University of Illinois, who is in charge of local arrangements for the meeting. It will be held at the University, June 15 to 19.

"Having spent the past three months in Europe, making a special study of outlets for agricultural products, Davis will have a message full of first hand information on this

What is the news? Each hour sends out News from the town all 'round about; Graduates, weddings, births and death, Come from news tellers out of breath; June opens with so many things, Beside the longest day she brings; She soon rings in the great convention, With dark horse threat of intervention; When our good Editor tries his best To build home paper to the test; Keep your news items to yourself And soon you'll be laid on the shelf.

Mrs. Chas. Emmel entertained her bridge club Thursday afternoon.

Fathers' Day June 14.

June 7, St. Peter's Missionfest.

After what was called a copious rain May 31, the morning of June 1 finds our garden a bed of dust. Monday night came a fine rain—cheerio.

Sunday afternoon in the home of Mr. and Mrs. Lloyd E. Sieburg, 333 Park Place, their little daughter was christened Melodee Faye Sieburg. The Rev. Dr. Kossack of the Presbyterian church administering the sacred rites.

Mr. and Mrs. Carl Simpson from Des Moines, Iowa, were guests of their sister, Mrs. D. G. Beaty Monday.

ayd, May 24, in her home on North Dunton avenue.

Mr. Clyde Rapp motored up to Harvard Thursday last week to take Mr. W. W. Guild to visit the graves of their loved ones in the family lot of the cemetery at that place. Mrs. W. W. Guild was the last one buried there.

Mr. and Mrs. Edward Fritz and little daughter, spent the week-end with his mother and other relatives at Fond Du Lac, Wisconsin. Mr. and Mrs. Everett took them in their new car; good neighbors they truly are.

Mrs. Helen Froelisch, her daughter and son-in-law from Montana, were guests of her niece, Mrs. Raoul Peeters and family one day last week. They came down from Winona, Minnesota, where they had been visiting relatives and had but limited time to stay.

Mr. and Mrs. Robert Palmer of West Mueller street spent last week end at their summer home on Long Lake, Wisconsin.

Mr. and Mrs. H. M. Blume and Mr. and Mrs. John Miller went to Chicago Heights Saturday, to visit relatives and to learn the latest report from their nephew, Jimmy Lunz, who is receiving surgical treatment in a St. Louis hospital, the removal of a tumor at the base of his brain. Last reports were hopeful.

Mrs. H. C. Cleveland went to Beaver Dam to be with relatives Memorial day as in the cemetery at that place is where her family

friends were buried.

Mrs. Stengel, Mrs. Merkley and Mrs. Juergensen and Mrs. Diedie, all from the Avondale Presbyterian church, attended the Woman's Aid luncheon Wednesday last week. Mrs. Diedie is a sister of Mrs. Albert Mores and an earnest church worker. These guests were much pleased with the program and delighted with the beautiful flowers.

Mrs. D. G. Beaty left here Wednesday this week with her son, J. Y. Beaty's family. He will drive his mother through to the home of his brother, Mr. George Beaty in Bridgeport, Connecticut, where she plans to stay until next fall. She will be missed by her friends in Arlington Heights.

Mrs. A. F. Volz came home from California this week just in time to enjoy our "cooling" breeze off Lake Michigan.

High school commencement June 11.

Republican convention at Cleveland, Ohio, June 9.

Mr. and Mrs. Charles Emmett and their son, Charles, Jr., plan to leave here Saturday to motor to Grand Rapids, Michigan, to visit her relatives. Mr. Emmett will come home after spending the week-end. Mrs. Emmett plans to lengthen her visit for a week or longer with her relatives.

Married—Miss Mayme Hann and Mr. Helge Thomason, quietly married and as they are both busy workers, have sensibly avoided fuss and feathers and have taken up their new home in the Landmeier apartment. Mrs. Thomason is one of our patient, efficient telephone operators and all join in wishing these newlyweds all the best worthwhile things in life.

Miss Dorothy Wiese, who has been at the C. L. Griffith insurance office is now employed in the office of the Firemen's Fund. Her place will be taken by Miss Hazel Zinn during her summer vacation.

The infant daughter of Mr. and Mrs. Richard Heschberg, of Chicago, little three weeks old Nancy, was brought here for interment on the Proctor lot Thursday last week.

Here is something that demands immediate attention. If we heed our slogan for "Safety first" Sunday night the north part of Arlington Heights was in total darkness on account of the storm. On State Road there was a continual rush of autos, holiday tourists, week-enders, through the town without let or hindrance past churches where crowds of children were coming out to the street. No traffic cop in sight. Isn't it time we have traffic cops or policemen, to guard such perilous places? For "Safety First."

Public school grades Friday, June 12.

Mrs. Rev. Alfred Maas and children of Ann Arbor, Michigan, are spending a few weeks with her father, Albert Neuman and her sisters.

The card club met Tuesday evening at the home of Mrs. Walter Karstens, Mrs. Ted Studman being the hostess.

The Arlington Heights P. T. A. Round-up will be held Thursday, June 4, at 9 a. m. at the Northside school in the east building. Doctor E. A. Elfeld and Dr. E. W. Bauman will be there to examine all children who are ready to start school and kindergarten in the fall.

June 5 and 6 Seventh District Woman's club annual Garden club event at Norwood Park Country Club. A fine program, lecture with films by a noted speaker. Remember the date, June 5 and 6, afternoon and evening.

Mr. and Mrs. Walter Weide from Lombard way, were guests of his sister, Mrs. Walter Fiene and family Sunday.

The Gage family recently came from River Forest to make their home in Arlington Heights. They bought a piece of land from the old Lunz estate on West Campbell street, and are now living in a house they built preparatory for their arrival not two months ago.

The Ever Ready club met in regular session in the home of Mrs. Grace Lorenzen. After the regular business routine, the reading of the magazine was the highlight in the program, not to omit the satisfactory disposal of their latest Ever Ready quilt, purchased by a man in Ohio, adding to their fund for farther Ever Ready needs. The next meeting will be in the home of Mrs. Dobbins in June. Pleased to hear they do not forget old friends as they kindly sent congratulations to one who entered her ninetieth year, May 17. She hopes to have them meet with her before another anniversary comes and wants to find the gang all here on that happy occasion.

Mrs. H. C. Cleveland, after her visit to Beaver Dam, went to Waukegan, Wisconsin, to visit Mr. Cleveland's sister, Mrs. Johnson, and other relatives in that vicinity. She came home Tuesday.

Miss Tillie Mueller and brother, Ervin, from Griswald, Iowa, visited relatives in this locality. After visiting their aunt, Mrs. Hahnfeldt, they called on their cousin, Mrs. Walter Fiene, who was happy indeed to see them after missing them for eight years.

Mr. and Mrs. Walter Barrington with their son, Walter S., and their daughter, Marjorie, from Reno, Nevada, are expected guests this week of her sister, Mrs. Raoul Peeters and family. Mr. Barrington's relatives are in Indianapolis, Ind., and he is anxious to get on to see them. Walter Barrington, Jr., came crowned with an aura of political glory, now but twenty-four he has been unanimously chosen county commissioner of his county. Will all our young men want to go to Nevada where the citizens know how to appreciate the much berated younger generation?

The auxiliary of the American Legion went to Elgin Friday last week to carry their usual bits of cheerio, cakes, candy and cigarettes. Never as much as they need to treat all, only the soldiers in the hospital.

Tuesday night this week is the regular time of meeting for transacting business and the election of officers for the coming term. The Fidae unit are busy preparing for a program in June. Their program or study is Americanism and Fidae. This entertainment is to be a round-up of the year's study and they expect to have guests of the ninth unit. Costumes unique and varied and colorful and a fine program is being prepared.

Miss Francis Hayes, of North Manchester, Ind., is spending two weeks with her brother, Raymond Hayes.

Mrs. Walter Boeger and her new little daughter, came home from the Palatine hospital one day last week. Their home, North Evergreen avenue, Arlington Heights.

Mrs. Willard Kates and daughter from the east are guests in the home of Mrs. Kate's parents, Mr. and Mrs. C. H. Watson.

Mr. and Mrs. B. A. Noyes are looking forward in pleasant anticipation of having their daughters both at home with them during the vacation.

## LOOK at your tires!

Scuffing, pitting and gouging are due to improper wheel alignment. Ordinary wear—sagging springs, worn bushings, bearings, pivots—throw wheels out of line, drag the tires sideways along the road, scuff and burn the tread, and cut mileage in half.

## Let Us Check Your WHEEL ALIGNMENT

We will inspect your steering with accurate gauges that show exactly what is wrong, and tell you what corrections are necessary. Some inexpensive adjustment may be all you need. DON'T ruin your tires because of neglect. The same corrections that stop abusive tire wear, also give Touch Control Steering. Drive in today.

Canadian Circuit Rider  
To Preach Sunday

The Rev. Carl Pfothauer, son of the former president of the Missouri Synod and now pastor of the Schaumburg Lutheran church, will be the main preacher next Sunday at the annual outdoor mission festival sponsored by St. Peter Lutheran church of Arlington Heights. Pastor Pfothauer is thoroughly conversant with the home mission problems of the church, having served for 15 years as itinerant missionary in the northern outposts of Canada. His work required much traveling by primitive means of transportation through dense forests and vast expanse of prairie, while contacting scattered families in pioneer areas recently opened for settlement by the Canadian government. His address on "Bringing the Gospel to Civilization's Outposts" will prove interesting.

The festival will be held in the grove opposite the Old Folks home with three divine services. Pastor Noack will lead in a German service at 9:30 a. m. and the English worship at 11 a. m. will be conducted by Pastor Fricke. The climax of the festival is the English mission service at 2:30 p. m. at which Pastor Pfothauer will preach.

Every effort is being made by the church board to arrange an interesting and pleasant day. Loud speakers will amplify the voice of the preachers. Refreshment stands will dispense ice cream, soft drinks, candies, etc. An experienced band will accompany the community singing and give a concert between and after services. St. John's Choral Society of Forest Park, St. Peter's School Chorus and the mixed chorus will render several selections. Printed programs are available for the afternoon services, but members are requested to bring their hymnals for the morning worship.

The entire offering of the day, as well as the proceeds from the stands will be devoted to the mission treasures of the Lutheran church. A cordial invitation is addressed to all who are interested in Gospel work to attend this festival.

Orphanage Kiddies Enjoy Modern Times

Chaperoned by Mrs. V. I. Brown thirty youngsters from the Des Plaines Orphanage, were the guests of the Arlington Theatre management last Tuesday night. Their second treat at the Arlington. They are on the invitation list also for the Life of Louis Pasteur, coming soon.

Holy Name Society

The regular monthly meeting of the society will be held Tuesday, June 9, 1936 at 8 p. m.

Some of us, in times of trouble and distress, turn to the Good Book for solace and comfort. More of us could profitably do so. What advice could be more timely than that given by St. Paul—"forgetting those things which are behind?"

Oh, how long we carry our sorrows, our disappointments, our mistakes, misunderstandings, and defeats—and to no purpose! We function possibly forty per cent which our minds are filled with better memories. We are unfair to our business, our superiors, our tasks, and ourselves.

Instead of worrying and brooding and sitting in the slough of despond, because of occurrences that undoubtedly could not have been avoided, one should count such things as motivating influences toward a better, higher, and happier life, sitting down and sympathizing with ourselves is not meeting the situation at all. We must "reach forth." There must be effort on our part. There must be activity. There must be desire.

How can this be accomplished? It is simpler than you think. Budget your time, and in that budget see that you allow yourself three hours a month to attend your society meeting. By so doing, it will not only free your mind from besetting memories, but will pay you dividends in satisfaction and happiness, far beyond your fondest imaginings.

Scan your lists of dates, nothing particularly Tuesday, June 9, at 8 p. m. Your officers and committees are expecting a 100 per cent attendance at this meeting, so please do not disappoint them.

Entertainment and refreshments are again on the card.

The Committee.

Brandes Skelgas Sales

In Their New Location at 1 E. Chicago Street, Elgin, is the Dealer and Distributor for Skelgas. The Compressed Natural Gas for Rural Districts. For Prompt Delivery Service to the Surrounding Territory Phone Elgin 251 or 675.

CUT COOKING COSTS TO 3c PER MEAL PER FAMILY

That's the amazingly low cost of genuine Skelgas, the natural gas service! It's a safe fuel—no odor, no soot, no mess—and instant heat!

FREE DEMONSTRATION—EASY TERMS—A free demonstration without obligation. Low first cost and convenient terms!

SKELGAS IS HERE

This review would by no means be complete were we to omit references to this reliable firm, that furnishes a product of incalculable benefit to the people living beyond the limits of city gas.

This firm has proven that coop-

eration with an active interest in the community in which they are located is conducive not only to their success, but to the progress of the territory they serve.

Skelgas is too well known to need a great deal of comment. It gives the people living in the rural districts and suburbs the same advantages of those who live in the city.

Skelgas comes in two cylinders, one cylinder being used at a time. When the cylinder in use becomes empty you turn on the other and notify the Skelgas dealer. The empty is replaced thus giving you an uninterrupted service.

This product is adapted for use in stoves for cooking, heating, printing presses and many other uses. Home owners and business places have found it to be a very economical fuel.

On your next trip to Elgin drop in at the Brandes Skelgas Sales in their NEW LOCATION at 1 East Chicago Street and look over their large and complete display of Skelgas stoves and ranges. This firm handles Skelgas, stoves and Skelgas equipment exclusively and are in a position to serve you promptly and efficiently.

The Reading Room is located in the church building and is open to the public every Wednesday afternoon from 2 to 4 p. m.  
The public is cordially invited to attend our church services and use our reading room.

**CHRISTIAN SCIENCE CHURCHES**  
"Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, denounced." was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, May 31.  
The Golden Text was, "They that observe lying vanities forsake their own mercy" (Jonah 2:8).  
Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Beware not them that have familiar spirits neither seek after wizards, to be defiled by them: I am the Lord your God" (Leviticus 19:31).  
The Lesson-Sermon also included the following passages from the Christian Science Textbook "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "As named in Christian Science, animal magnetism or hypnotism is the specific term for error, or mortal mind. It is the false belief that mind is in matter, and is both evil and good; that evil is as real as good and more powerful. This belief has not one quality of truth. It is either ignorant or malicious" (p. 103).

**TIRE SAFETY MAY NOT BE NEW BUT IT'S IMPORTANT**  
Spring is the time of year when Elroy Winkelman, local dealer for The Goodyear Tire & Rubber Co., starts emphasizing safety to motorists.  
"Some motorists tell me they have heard my story before," Mr. Winkelman asserted. "I hate to tell the same story to them year after year, but the same old story tells some mighty important facts."  
"Briefly, the story is this: Motorists should pay particular attention to tires when they check over their cars for spring and summer driving. If tires have worn smooth, they should be replaced."

**OBITUARY**  
**Mrs. Thomas Davis**  
Daisy Elva Davis, nee Proctor, was born June 17, 1883, daughter of Mr. and Mrs. John Proctor, in their home in Arlington Heights. She attended school and was a member of the Presbyterian church and a dear, faithful attendant in the Sunday school.  
She was married to Thomas Davis, September 15, 1926. After a long invalidism, she died May 26, 1936. The funeral was held Friday afternoon in the Presbyterian church, Dr. H. A. Kossack in charge of the service. The interment was in Euclid Lawn cemetery.  
She is survived by her husband, sister, Mrs. Sarah Fasting, several nieces and nephews; her sister, Mrs. Fasting, lives in the old family home in Arlington Heights. Lauterburg & Oehlers giving their usual efficient services.

Those who loved Daisy, here, are now rejoicing to find in her heaven-trusting that all she longed for ly home.

## Sail Ahoy! Here Comes Ginger

Ginger Rogers with Fred Astaire and a mammoth all star cast, plus the bevy of Warner Beauties, open a run at the Arlington Theatre starting Sunday, June 7. Accounted the finest offering of this whirlwind duo. They introduce and picture a sensational new ball room feature that will take your eye and do strange things to your feet in this picture of pictures.

## What Shall We Do?

By CALVIN MITCHELL  
Arlington Heights

If all the man power, labor saving machinery and the engineering and managing skill of the United States were used in producing and distributing the necessities of life from our inexhaustible resources, there would be an abundance for all, and a great surplus to be used in improvements and the conservation of our natural resources. Criminality, degradation and poverty would be reduced to a minimum and the United States would become a garden of beauty.

You may say, "That sounds good, but cannot be done, for the strong and cunning will always get about everything and keep the weak and simple (nearly all of us) down to the work;" and you may say, "In our system of government our representatives have the sole power to make changes and that prevents them from making any changes that might threaten their prerogatives and graft opportunities."

Something must be done. Must we wait until planned depressions and the fires of partisan, class, race, religions and national hatreds and

warfare have reduced us to helplessness in "sack-cloth and ashes," before we will listen to voice of reason? Or should we begin to figure on a way out of our dilemma before it is too late?

In plain language what do you propose? Would the "Initiative and referendum," or the "Initiative Commission Referendum System," give our ablest and honest thinkers (not grafting politicians), a chance in a competitive contest to propose the best laws that can be devised by man and let the people be the supreme judge as to their merits and constitutionality bring about the necessary reform so much needed to let the people rule and put an end to partisan hatred, trickery and graft?

Could a clique influence the vote of the people to secure special privileges and easy money as cliques have prevailed on governmental officials to do from the first Congress down to the present?

If you read Madison's "Notes" on the proceedings of the Constitutional Convention which were kept secret for fifty years, you will learn that no reporters were allowed, no speeches or arguments were recorded or allowed to be published, and how a majority feared to let the people by direct vote settle any question and how they toiled to keep the government in the hands of the favored few, but still make the people think they were the rulers, etc.

If, instead of confiscating taxes on small homes and sales taxes on the necessities of life, a 2% tax on all business transactions, stock and Board of Trade sales, real estate and other speculating gambling would produce the many billions needed to pay all expenses of government, old age and soldier's pensions, care for the afflicted make improvements and conserve our natural resources for our posterity. Why not do it?

The 2% tax would be easy to deal. It would be only the ordinary business discount allowed by business men for the cash payment of bills due.

Mr. Politician, please answer these questions and quit your dodging.

## Eastern Stables To Be Represented at Arlington Park

Many of the leading eastern stables again will be represented in the meeting at Arlington Park opening on June 29, judging by the requests for stabling accommodations made to General Manager Roy Carruthers. At the present time the trainers of these important establishments are making their plans as to which of their thoroughbreds will be pointed for Arlington Park campaign and the opportunity to share in the distribution of more than \$400,000 in stakes and purse money.

Robert A. Smith, trainer of the powerful Brookmeade Stable, has informed the Arlington management that he expects to have a division of diversified material at the northside course throughout the 30-day session. He intends to make nominations for all of the Arlington stakes and at the present time he has in his care one of the most likely candidates for the \$50,000 Arlington Futurity in Knight Gallant.

Nominations to the Arlington, Stars and Stripes and Inaugural Handicaps and Hyde Park Stakes close on June 15.

Phil Reuter, who has the horses owned by Elwood Sachsenmaier and William Ryan, has reserved accommodations for eight horses including the good four-year-old Roman Soldier. Alfred Gwynne Vanderbilt already has asked for a number of permanent stalls, which will be filled with horses shipped from the East to fulfill their stakes engagements.

Discovery, victorious in both the Arlington and Stars and Stripes Handicap last season, is expected to attempt a duplication of this feat this summer.

Hal Price Headley, Kentucky sportsman whose horses have been very successful in the East so far this season, has applied for 20 stalls during the Arlington meeting.

John Hay Whitney, Cornelius Vanderbilt Whitney, the Greentree Stable, Belair Stud, Wheatley Stable and Joseph E. Widener are other well known eastern owners whose colors may be expected to fly at Arlington Park this summer as they have in past seasons.

## PUBLIC NOTICE

NOTICE IS HEREBY GIVEN That the Board of Park Commissioners of Arlington Heights Park District at Arlington Heights, Illinois, will receive sealed bids up to 8:00 o'clock P. M., Eastern Standard Time, on the 22nd day of June, 1936, for the sale of an issue of bonds known as Park Acquisition Bonds, Series A, in the sum of \$23,000.00, being twenty-three (23) bonds in number, of the denomination of \$1000.00 each, dated June 1, 1936, and due serially \$1000.00 on the 1st day of June of the years 1937 to 1953, and \$2000.00 on the 1st day of June of each of the years 1954, 1955 and 1956, with interest at the rate of five percent (5%) per annum, payable semi-annually, which bonds were authorized to be issued at a special election held in said Park District on the 23rd day of May, A. D. 1936.

Such bids will be publicly opened at a meeting of said Commissioners to be held on the 22nd day of June, 1936, at the hour of 8:00 o'clock P. M. No bids for less than par and accrued interest can be considered, and all bids must be accompanied by a certified check of the bidder in an amount not less than five percent (5%) of the amount of the bid, and said Board reserves the right to reject any or all bids received and the right to sell not more than \$23,000.00 in par value of such bonds.

G. G. BOLTE,  
Secretary, Board of Park Commissioners of Arlington Heights Park District. (6-19)

## Make No Discoveries

Who never walks where he sees men's tracks, makes no discoveries.

## AT THE HIGHWAY SHERIFF STATION

An average setting in the daily work of the Sheriff's Highway Police: The operator calls the station excitedly stating that the receiver is off the hook at Milke's Kennels on Waukegan road, south of Dempster street and foul play is expected. Sgt. Meyers immediately dispatches a squad of deputies who cautiously surround the premises and close in on their unknown quarry. Nothing seems to be wrong, the deputies are temporarily puzzled, but a detailed investigation reveals mere carelessness on the part of Mr. Milke in failing to hang up the receiver. Thus ends what might have been a very exciting affair.

If the professional forgers and crooks can't get to first base, what chance has an amateur got. Henry Scott, an enrollee at the C. C. C. Camp, Glenview, found that out, but quite apparently too late. Sheriff's Highway Police summoned to investigate picked up Scott and learned that he had pilfered a mail box, took the check, forged it and spent the proceeds. Cooperating with the Illinois Emergency Relief investigators, the deputies located Scott at the camp and arrested him. He was then turned over to the Chicago police for further investigation.

Boys will be boys, is quite an old expression, usually denoting mischief. When Principal O'Hearn of the Union Ridge school located at Oak Park avenue and Wilson avenue, notified the Sheriff's Highway Police that someone had broken in to and burglarized articles from the school, Deputies Holzem and Faust started to investigate. 18 fountain pens which had been stolen, were located under a nearby porch. The reason for the use of the above mentioned expression is due to the fact that examination papers from the 5th and 6th grades were taken. We do not have access to the records of the students in those grades, however, we are willing to venture that some youngster not expecting to pass, resorted to means other than ability to turn the trick.

## Word "Data" Plural

The word "data" is plural in form, but both plural and singular verbs are used with it.

## SO. SIDE BREEZES

It was six years ago that we announced the birth of Tommy Wisersky, in this column. Now it is the celebration of his birthday. Five little boys enjoyed the happy time June 2.

Mr. and Mrs. Wisersky and children went in to Chicago Monday to see Grandmother Wisersky, who is ill.

It isn't often that Mr. and Mrs. McKaig get away for a long motor trip. So no doubt it has been a real pleasure to go with relatives to Nashville, Tennessee. They left last Friday and returned Wednesday.

Mrs. Ellis of Elmhurst and Mrs. Humphrey of Westmore were callers in Arlington Heights, Friday work in the interest of Social Justice.

Beverly Rule has been absent from school because of illness.

## APPROPRIATION ORDINANCE

AN ORDINANCE MAKING APPROPRIATIONS FOR CORPORATE PURPOSES OF ARLINGTON HEIGHTS PARK DISTRICT FOR THE FISCAL YEAR BEGINNING MAY 1ST, 1936, AND ENDING APRIL 30, 1937.

BE IT ORDAINED by the Commissioners of Arlington Heights Park District:

SECTION 1. That the following sums be and the same are hereby appropriated for the corporate purposes hereinafter set forth of Arlington Heights Park District for the fiscal year beginning May 1, 1936, and ending April 30, 1937:

For machinery, tools and equipment and repairs	\$ 500.00
For labor and wages	2,000.00
For playground equipment and supervision	500.00
For bonds and interest	4,150.00
For contingent expenses	1,000.00
For salaries	100.00
TOTAL	\$8,200.00

SECTION 2. This ordinance shall be in full force and effect from and after its passage, approval and publication.

Passed this 1st day of June, A. D. 1936.

O. G. BOLTE,  
Secretary.

Approved this 1st day of June, A. D. 1936.

GEO. K. VOLZ,  
President

The Merry Wives were entertained at the home of Mrs. Grismer Thursday at luncheon and cards.

Welcome, Minnesota is the home of Mrs. Alma Klein, but it was welcome to Arlington Heights that her cousin, Mrs. Herman Meyer, said to her last Friday when Mrs. Klein came for a brief visit.

A birthday party without a birthday cake sounds almost unbelievable. Had it not been for a good friend, that is what would have happened at the birthday party of Mrs. Frank Mors, 201 S. Dunton. The evening at cards was brought to a close with the serving of a delicious lunch after the midnight train arrived, for it was not till then that there was a cake. The cake, a work of art, with its greeting "Happy Birthday, Martha" had been left in the city, but a friend brought it out in time.

When asked what they did over the week-end, there were the replies:

Mr. and Mrs. Chas. Peterson and family went to Wisconsin Dells.

Mr. and Mrs. E. Wallenfeldt and children visited his parents at Geneseo, Ill.

Mr. and Mrs. Jack Kincaid, entertained Mr. and Mrs. Howard of Chicago.

Several friends from Chicago came out for a picnic lunch with W. G. Franks.

Memorial services at Belvidere were attended by Mr. and Mrs. Albert Hines and children.

Mrs. Donald Costain had a pleasant visit with her brother and wife, Mr. and Mrs. John Youel, who were on their way from Niagara Falls to Herron, S. Dakota.

Mr. and Mrs. S. P. Mulley and Gordon of Chicago spent the week-end with Mr. and Mrs. Calvin Mitchell.

Not one of the thirty-three drivers would risk his life on any other tire, for each driver knows that heat is the chief cause of tire failure and blowouts. Firestone cords are soaked in liquid rubber, which saturates and coats every cotton fiber, preventing friction and heat and adding great strength. This is the Firestone patented process of Gum-Dipping, that gives you greatest blowout protection and safety.

Profit by the experience of race drivers. Equip your car today with Firestone Gum-Dipped Tires—it costs so little to protect lives worth so much.

## THE New Firestone STANDARD

Designed and constructed by Firestone skilled tire engineers—a first quality tire built of all first grade materials, embodying the many exclusive Firestone patented construction features. Its exceptional quality and service at these low prices are made possible by large volume production in the world's most efficient tire factories. Made in all sizes for passenger cars, trucks and buses. Let us show you this new Firestone tire today.

## ARLINGTON HIGH BASEBALL YEAR IN RETROSPECT

### Waukegan Reserves Win Over Arlington.

The final conference baseball game of the season for Arlington Heights, scheduled for Tuesday, June 2, after a previous postponement, was cancelled. Leyden Community high school of Franklin Park, prospective opponent, was knocked from the title race on Friday by Elia, and asked to be excused from playing. Leyden's offer of a forfeit, if acceptable to conference authorities, gives Arlington a final standing of three won and three lost, and a tie for third place in the conference race, Elia and Lake Forest tied for first place with five won and one lost by each. Waukegan, Waukegan, and Antioch finished in that order behind Arlington.

The Arlington team was without experience at the beginning of the season, having only two players who were sure of their positions. These were Melvin Kehe, pitcher, and Herb Kirchhoff, second baseman. The team was forced by cold weather to play its first game with almost no practice, a serious handicap to a green outfit. Loss of the first three games—all to powerful teams—failed to discourage the players. Fine spirit carried them along to win the last two conference games played, in which they pounded out thirty-one hits for thirty runs.

Team play featured the season for Arlington, but there were some outstanding individuals. Kehe's pitching was as good as any in the league and Clark became a first class catcher. These two led the team in hitting, with 571 and 471 averages respectively. Kirchhoff's play at second was the class of the conference and Ralph Wille at short played equally well. They hit 350 and 316 respectively. Laseke, a fine first baseman also hit 316 and fielded without an error. Welflin got into four games to hit .500 in six trips. Granzin's first year in the outfield was a great success, where he completed the fine trio of fly-chasers that included Roy Wille and Hedke. Buesing played a commendable game at third and stepped in to pitch at a crucial moment in the Antioch game, getting credit for the victory. Pingel, Thune, and Mecklenburg complete the list of letter-winners on the squad, each one of whom contributed to the success of the season. Six of these boys will graduate, leaving several gaps to be plugged, if a winning team is to be turned out next year.

### Arlington (Reserves) 3; Waukegan (Fr.-Soph.) 8

Superior pitching and team play gave Waukegan's Fr.-Soph baseball team a victory over Arlington's underclassmen Saturday morning. Outhit ten to five the losers were also outplayed as Waukegan squeezed three of their runs home and actually earned only one run out of eight. Arlington earned two runs, getting one in the first without a hit. Hedke's triple and Granzin's double were the best efforts for the Cardinals. Waukegan's battersmen, Wazniak and Ello, collected six of the team's ten hits off Pingel.

### Exciting Finish As Arlington Beats Antioch

The Arlington high school baseball team won its second successive conference game last Friday, defeating Antioch on the latter's grounds 11 to 9 in ten innings. The big guns boomed again as the winners drew out thirteen hits, good for twenty bases. Mel Kehe's home run and double paced the attack while Ralph Wille banged out two doubles and a single. Kirchhoff singled three times and Welflin and Laseke doubled. Nine walks and nine stolen bases added variety to the attack.

Five runs on five hits and two walks in the second inning started the assault on Riddell, first Antioch pitcher to see action. Two more runs in the third gave Arlington a fine lead. Meanwhile Kehe allowed only two singles in three innings. In the fourth Madsen, a new Antioch pitcher, set down three batsmen on strikes. Kehe allowed three hits in the second half of the inning, but was saved from serious trouble by Wille's unassisted double-play at second. A pulled muscle forced Kehe from the line-up and Laseke took up the task of protecting a six run lead. The rest of the game was another story.

Only nine men faced Madsen in the fourth, fifth and sixth innings. In the seventh, two walks put him in trouble. With a man on second Buesing smashed a long double to the left of the third baseman only to have it called foul. Strikeouts ended the inning. Laseke gave up a run in the fifth because of an error by Wille on a very hard try. In the sixth three good singles shoved another run across, but Laseke bore down hard to strikeout two men for the second and third outs. The wild and woolly seventh got under way with a strikeout. Then Crandell walked. The pitcher drew an error on a bounce in front of him. A hit by Schneider drove home a run. Madsen hit to Wille at short who threw him out by inches. Then Dalgaard doubled to drive home two runs. He took third unmolested, with Arlington players under the impression that a two run lead prevailed. A wild pitch partly escaped Clark who retrieved it in

time to toss to Laseke covering the plate. The runner smashed into Laseke and knocked the ball from his hands, both going down in a tangle. Clark recovered the ball and tagged the runner. The umpire, a high school student from Antioch, ruled the man safe for interference by Laseke, and the tying run was across. Laseke got the side out on an assist to Thune at first.

Mecklenburg struck out in the eighth but Granzin calmly awaited a walk. Kirchhoff slammed a good single into center and Granzin took third. Clark hit his second single of the game and Granzin scored. Kirchhoff going to third. Laseke struck out as Clark stole second. Wille's short single drove Kirchhoff home and Clark was out on a relay to the plate. Antioch bounced back with a single and a double after two were out. Crandell hit one far to left center. Hedke, on the dead run straight away from the plate, got his hands on the ball, but it bounced out. Two runs scored, but the runner was out for failing to touch first base. A storm of protest greeted the decision, which was made by an umpire within ten feet of the play. Buesing came in to pitch and was greeted by a single by Thill. The runner, trying to steal, was out on Clark's throw, but spilled Kirchhoff anyway.

The ninth inning was scoreless and hitless for both sides. In the tenth Granzin walked again. Kirchhoff struck out, and Clark fouled out to pitcher. Laseke, now playing third, walked and both runners moved up on a passed ball. Wille got revenge for a spiking received in the hectic seventh by blasting a long double to left center, sending in runs number ten and eleven. A strikeout closed the inning. Buesing took the mound with the task of getting three men out to win his first conference game. Using blinding speed he forced all three to tap weakly to the infielders who threw them out flawlessly. The defeat left Antioch alone in the league cellar.

## RED WINGS WIN TWO GAMES

### Schaeffer Pitches 4 Hitter Against Chgo. Heights.

The Red Wings had a busy holiday week-end taking a strong Chicago Heights team by a score of 7 to 1 on Decoration Day, and beating the Waukegan American Steel & Wire team on Sunday, by a score of 7 to 3.

Schaeffer pitched against Chicago Heights and his work was a masterpiece. Pitching against a team composed of minor league players, George allowed but four scattered hits. The only base on balls he issued resulted in the run which cost him a shut-out. Besides pitching almost perfect ball, George really leathured the old apple, getting a double and two singles in four tries, and how Schaeffer does love his base hits.

Ray Willert lead the hitters with a single, a double, and a triple in five trips to the plate. Sunday's game against Waukegan was pitched by Johann and Deiderich. Johann pitched fine ball at the start of the game, but later was relieved by Deiderich, when his control began to wobble. Deiderich allowed two hits and two walks in the five innings on the mound. Schaeffer collected a double and a single to lead the attack.

### Balaban & Katz Loop Theater News

Take the family to a Balaban & Katz perfectly cool air conditioned theater—There's one near your home.

**Chicago Theater**—In person Ramon Novarro and his lovely sister, Carmen Novarro in huge Balaban & Katz production with Roy Smek, Mills & Gappy, the Nonchalants, Harry Losee, Evans Girls. On the screen Robert Taylor, and Loretta Young in "Private Number."

## ARLINGTON HEIGHTS GARDEN CLUB

**TRANSPLANTING**  
Gene Stratton-Porter says "There are few joys in the world equal to the joy of a garden, and a garden sets off a home as an appropriate frame does a picture." No other occupation gives more restful and lasting satisfaction than to work among flowers and vegetables. Nothing so rests the mind of a busy man or woman, after the labors of the day, than to be able to spend a few evening hours in the garden. Try it for your tired nerves and see what a pleasant diversion you will find it to be.

Transplanting of any kind is best done on a cloudy day or in the evening, but can be done successfully at any time, with a little care. About an hour before soak well the flat or box of plants. If your bed or garden is not well fertilized and pulverized see that a very little fertilizer of some kind is worked well into the spot where your plant is to be set. Lift out carefully and put into the hole waiting for it, water it well, then pull the dry soil around it so evaporation will not take place so quickly. If you have a fine, healthy plant it will keep right on growing. It is not necessary to have a hot house to grow your own plants. If you have an east or south window. A cigar box is fine to plant your seeds in, covering with cheesecloth to hold the moisture. After the fourth or "True" leaf appears they can be transplanted to a larger box or pot, until time to set them out side.

Mrs. Esther Cleveland.

**LILAC CULTURE**  
Lilacs are extremely hardy and will thrive anywhere apples will grow. Plant in a sunny, well drained location.

They can be planted either in spring or fall. As they sprout unusually early in the spring, plant March first to not later than April fifteenth. Fall planting should start after frosts cause dormancy and may be continued until the ground freezes. If fall planted a straw mulch should be applied after the ground freezes, as a precautionary measure against frost heaving, and to avoid frost girdling of bark at ground surface.

For best results lilacs should be planted 8 feet apart to allow for natural spread and proper cultivation. Dig a hole 3 feet in diameter and the same depth, and fill back with rich top soil and tramp firmly until the bush, with roots properly spread in hole, will stand with crown about 2 inches below ground level. Work soil in carefully around the roots until the hole is half full tramp down solidly and pour in a pail of water. After this has soaked away finish filling hole to slightly above ground level with loose soil, but do not tramp.

The use of any fertilizer at planting is not good practice. A half inch layer of hydrated lime, applied to the feeding area yearly will maintain a sweet soil condition which is ideal. Keep ground well cultivated and apply an application of well rotted manure every three years. Cultivate often but not deep as the roots grow close to the top of the ground. When they grow so tall pruning is necessary. Do not give them a "boyish bob" but cut the old wood back to the ground leaving the greener shoots to carry on the blooming.

As soon as possible after the blooms fade remove all flower stems just below the lowest flower, being very careful not to cut the old wood for in the fork between the two sprays of bloom, is forming your bloom for next year. If seeds are allowed to form, it lowers the vitality of the bush.

The Josikaea, with the narrow waxy leaves, are never good for picking for they wilt quickly. Any of the vulgaris variety, with the wide, dull leaves, will keep well after picking so are ideal for bouquets.

Some of the loveliest are Volcan with very large ruby red flowers Edmund About, a lovely light blue Maurice Barres, with light colored heavy blooms. Dr. Chas. Jacobs Majenta with margins of purple Edith Carrell, flowers extra large and pure white and Carmen, extremely long clusters of light lilac with double white center.

**Air Is Heavy Soil Remover**  
Air carries as much soil as water—possibly more—from one part of the country to another.

# Back In 1904

From Files of Cook County Herald, Issue of June 3, 1904

**Roselle**  
Henry Wilkening while unloading hay with a horse fork on his farm north of Roselle, Saturday, was thrown backward, fell head first off the load and struck on the wagon tongue, breaking his shoulder blade and receiving other bruises and cuts that will lay him up for some time.

Mrs. Chas. Baldwin is visiting relatives at Lanark.  
Aug. Scharlau and wife spent Sunday in the city.

**Meachem**  
A sister of our teacher, Lulu Galoway is spending a week at W. Lawrence's.  
Theo. Vaas entertained relatives over Sunday.

**Itasca**  
Mrs. Richard Braun left Saturday for Elgin and Pingree Grove where she will visit several days with relatives and friends.  
Miss Maud Landon formerly of Itasca and now of Racine, Wis., is the guest of Miss Jennett Lawrence.

Miss Helen Wendt returned home last week.

**Palatine**  
Stanley Kunz has taken his horses away from here to the Washington track.

Amanda Harz sprained her left ankle severely Tuesday.  
Orval Schaeffer of Chicago is a guest of Tom Hart.

Wm. Ahlgren is home on a vacation.  
Stuart Paddock believes in the old song "There is no place like home" and will board in Palatine during the summer.

**Bensenville**  
Peck Hingst nearly had a fight with some toughs from Chicago Saturday night, but he was afraid they would get the best of him.

Henry Dieking had quite an accident while making a well, the rope slipped and the tackle block hit him just above the eye. It was a bad cut requiring a doctor to dress the wound.

Will C. Penberg's orchestra are keeping up their open air concerts. Say Charlie, why don't you give us some of the latest music and not the same old pieces they played 25 years ago.

**Arlington Heights**  
William Mink celebrated his 17th birthday, June 1.

Decorations day was so cold it was necessary to wear an overcoat outside and have a fire in the house to keep warm.

Butter dropped to low water mark of 17½ cents a pound on the Elgin board Monday. Milk men must expect small dividends from the present prices of milk and butter.

Wallace Wood of Chicago called on Heights friends Saturday.

## Mrs. Peter Mors Honored on 86th Birthday

The eighty-sixth birthday of Mrs. Peter Mors was remembered by her family June 1 the members calling upon her during the day and evening at the home of her daughter, Mrs. Josie Sieburg. There was a big birthday cake in honor of this woman who has lived so long in Arlington Heights and no younger person could have received more enjoyment than did Mrs. Mors upon that day.

Members of the family who were present, included Mr. and Mrs. P. J. Mors and their son, Clement Mors; Mr. and Mrs. Theodore Mors; Mr. and Mrs. Edward Mors; Mr. and Mrs. Albert Mors and their family; Prof. and Mrs. Wallace Mors, of Kankakee, Mr. and Mrs. Jelinik of Chicago and Miss Mildred Mors; and Mr. and Mrs. Kenneth Mors and little daughter.

Our personal congratulations we cheerfully add to the family and intimate friends of this pioneer mother and business woman of Arlington Heights. O, she knows well enough the first hundred years are the hardest. May she live as long as she wishes to live and be a comfort and cheer to all who know and love her and may her faith in God and humanity, uphold and sustain her.

## Urges Correction of Physical Defects in School Children

Correction of physical defects during the summer in children who will start to school for the first time next fall was urged today by the Illinois Tuberculosis Association.

Co-operation with the Illinois Congress of Parents and Teachers in the Summer Round-up, where pre-school children are examined, was advocated. A number of Parent-Teacher Associations throughout the state are having tuberculosis tests for the detection of tuberculosis infection administered in the Round-up examinations, the association stated.

Questions that parents should ask themselves before starting their six-year-old to school are: Does he see and hear well? Are his nose, throat and ears in good condition? Has he been gaining steadily in weight? Has he been growing in height? Are his eyes bright, cheeks red, muscles firm, posture erect? Has he been vaccinated against smallpox and immunized against diphtheria and typhoid? Has he good habits of eating, sleeping, exercise, bathing, elimination, self control and obedience? The family physician should be consulted regarding the correction of any defect.

"It may be said that the two prime essentials in protecting children from tuberculosis are keeping them away from people who have the disease and the maintenance of general good health in the child. When a youngster leaves home to attend school for the first time, there is a certain amount of physical and mental strain connected with the change. Add to that the handicap of diseased tonsils or adenoids or sickness from a communicable disease and it is easy to understand how tuberculosis germs may get a foot-hold in the body. Any condition which makes the child less healthy causes his resistance to be lowered and the association said.

## Memorial Day Well Observed At Arlington

With a colorful parade, appropriate services and decoration of graves, Arlington Heights paid honor to its soldier dead last Saturday. Headed by the colors of the various organizations and the commanders of the two veteran organizations, the newly organized band, ex-service men and school children formed at the municipal building and marched to Memorial park.

A Wilcox of the V. F. W. opened the services with a reading of General Logan's general orders which established Memorial Day.

Rev. Whipple, pastor of the First Methodist church, as an introduction, delivered Lincoln's Gettysburg address and gave a review of the memorial days of the past, going back into the orient. He compared modern memorial days with the olden holidays, such as Christmas, New Years, National Birthdays, Thanksgiving, etc., and declared that it had become the most widely accepted and observed of all holidays—and fittingly so.

The speaker told of the period when Memorial Day was established by Gen. John A. Logan and its observance for over sixty years. He cautioned his hearers of the danger of making Memorial Day a mere gesture without counting the real cause and purpose of its establishment.

The program closed with a salute by a firing squad composed of members of the Legion and V. F. W., followed by the sounding of taps.

Autos and trucks transported the children and their elders to the cemeteries where, in addition to the decorating of the graves, the two veteran organizations held memorial services over the graves of their respective comrades.

The attendance at the services and the parade were larger than usual and were a credit to the patriotic homage of the people of Arlington Heights.

## Park Ridge Girl Bride of John Angeloff; Rev. Hubbard Officiates

Miss Marion Haines of Park Ridge, Illinois, was united in marriage to Mr. John Angeloff of Arlington Heights at Park Ridge on May 30, at 8 p. m.

Rev. Hubbard of St. Mary's Episcopal church officiated at the beautiful ceremony, which was followed by a large reception.

Given in marriage by her father, the bride wore a classic gown of shimmering egg shell satin, fashioned with long sleeves, a high neckline and fan shaped train. Her bridal veil, of sheer tulle was held by a satin halo and her flowers were white roses and lilies of the valley.

Lois Haines, the bride's sister and maid of honor wore a yellow net gown and carried yellow roses to match her beautiful hat. The bridesmaids, Ruth Cameron, and Aneta Koeppen, who were gowned in pink net, wore aqua blue sandals to match their perky little hats. They carried arm bouquets of red roses.

Mary Angeloff and Jean Martensen wore gowns of aqua blue net with pink sandals and pink hats. They also carried arm bouquets of talisman roses.

Alex Angeloff served his brother as best man. The ushers were Donald Cameron, Robert Koeppen, Fredrick Lauterburg and Gilbert White. Mr. and Mrs. J. Angeloff will be at home in their Vail-Davis apartment after June 10.

## Wood Sculpture

Reviewing the history of wood sculpture, states an expert, the earliest examples extant were made in Egypt, where figures were found by the ancients for the souls of the dead. The Egyptian sculptors, he said, "were obsessed with realism so that the soul would recognize where to go."

## Beads Through the Ages

The earliest objects supposed to be beads are small fossils, found among the Acheulean remains, and by the Aurignacian period there is no doubt that beads made of teeth, shell, bone, ivory and, most of all, chamois teeth, these latter "beads" having two formations, were worn in large quantities.

## Wheeling State Bank

With a Modern Banking Home Centrally Located,  
Offers a Complete Banking Service. A Strong  
and Conservative Institution. "Solicits, Protects  
and Appreciates Your Account."

Among the necessary establishments of our community is this well known bank. It ranks as one of the foremost financial institutions of the section. It is conservatively managed by men who have always been loyal supporters of all civic enterprises that would aid in our betterment. Each and every department is under the direction of one who has years of experience in the banking business.

## Air-Conditioned Des Plaines Theatre Offers "Shark Island" Sunday

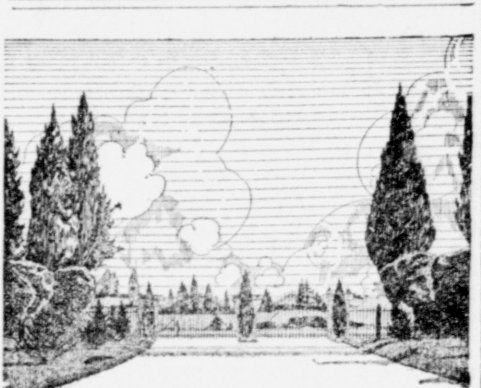

Snatched from the shadow of the noose, he was sent to an island hell to suffer an agony worse than death! Telling the true story of the most tragic figure in American history, "The Prisoner of Shark Island" comes Sunday to the cool Des Plaines theatre, starring Warner Baxter with Gloria Stuart and a supporting cast of over one thousand.

The picture depicts the assassination of Lincoln and the flight of his assassin to the country home of Baxter, a doctor. For the unintentional crime of setting the broken leg of a man about whom he knew nothing, Baxter is arrested. In the hysteria that follows, Baxter is sentenced to life imprisonment at the dreaded Federal prison on the Dry Tortugas. "The Prisoner of Shark Island" was directed by the man who directed "The Informant," Academy Award Picture of last year.

On the same program, "Audioscopes" the closest the screen has come to third-dimension pictures are presented. You will see a baseball thrown from the screen and supposedly land in your lap! "Audioscopes" are positively the most entertaining novelties you have ever witnessed in a movie theatre.

## Meaning of "Banzai"

"Banzai!" is Japanese and means 10,000 years. It is used in the spirit of "Hurrah. Live forever." It is a battle cry and also a salutation to the emperor.

EUCLID LAWN CEMETERY has a perpetual charter; 75 acres on East Euclid St. at corner and parklike. Has non-sectarian and Lutheran sections. Both monument privileges and garden sections without monuments. Desirable lots can be had from \$21 to \$30 per grave. The cemetery is conducted without corporate profit. For particulars address—

## Human Skin Book Binding

Asbestos is an unusual book binding—though aluminum, wall paper, and Japanese umbrella-cloth have all been used for that purpose. But strangest of all book bindings was one made from human skin. Another curious use for human skin, Ziska, military leader of the Hussites—a sect of pre-Reformation Protestants, like our own Lollards—directed that his skin should be made into a drum when he died. Though it must help the Hussites to fight more fiercely. — Answers Magazine.
